

## Quality Assurance Surveillance Plan

For  
“Nanomaterials and Drinking Water Treatment:  
State of the Science, Technology, and Practice”

TASK ORDER PR-ORD-12-01935

<b>Performance Objective (Task)</b>	<b>Performance Standard (PS)</b>	<b>Surveillance Plan (SP)</b>	<b>Contractor Incentive (CI)</b>	<b>✓ or X</b>
Task 1: Preparation of QAPP.	Contractor provides full and complete documentation of the completeness of the information, conformance with appropriate QA standards and methods, and quality of the QAPP within 2 weeks of award.	TO-COR will document whether receipt of deliverable is timely. TO-COR will document whether quality of deliverable is at an acceptable level.	TO-COR will address compliance in PPE	x
Task 2: Review and Assessment of Drinking Water Treatment Systems and Technologies.	Contractor provides full and complete documentation of the completeness of the information and quality of the draft and revised deliverable within 8 weeks of award.	TO-COR will document whether receipt of deliverable is timely. TO-COR will document whether quality of deliverable is at an acceptable level.	TO-COR will address compliance in PPE	x
Task 3: Review and Assessment of Nanomaterials, Including Those Used in Treating Drinking Water.	Contractor provides full and complete documentation of the completeness of the information and quality of the draft and revised deliverable within 13 weeks of award.	TO-COR will document whether receipt of deliverable is timely. TO-COR will document whether quality of deliverable is at an acceptable level.	TO-COR will address compliance in PPE	x
Task 4: Review and Assessment of Nanotechnologies, Including Those Used in Treating Drinking Water	Contractor provides full and complete documentation of the completeness of the information and quality of the draft and revised deliverable within 17 weeks of award.	TO-COR will document whether receipt of deliverable is timely. TO-COR will document whether quality of deliverable is at an acceptable level.	TO-COR will address compliance in PPE	x
Task 5: Preparation of the Database, Appendix, Final Report, and PowerPoint Presentation.	Contractor provides full and complete documentation of the completion of the drafts and final versions of the deliverables within this task within 25 weeks of award.	TO-COR will document whether receipt of deliverable is timely. TO-COR will document whether quality of deliverable is at an acceptable level.	TO-COR will address compliance in PPE	x
